

## CITY OF LODI

## COUNCIL COMMUNICATION

AGENDA TITLE: Specifications and Advertisement for Bids for  
20 Tons of Turf Fertilizer for Parks Department

MEETING DATE: December 4, 1991

PREPARED BY: Parks and Recreation Director

---

RECOMMENDED ACTION: That the City Council approve the specifications  
and authorize advertisement for bids for 20 tons  
of Best "Turf Gold" slow-release turf fertilizer  
for use by the Parks Department.

BACKGROUND INFORMATION: Each year the Parks Department purchases  
fertilizer for use on the City's 208 acres of  
parks. Experience has shown that Best "Turf  
**Gold**" yields a lower annual cost per acre due to  
a longer nitrogen release time, requiring fewer applications per year,  
than a water-soluble or agricultural blend fertilizer.

The bid opening will be scheduled for Wednesday, December 18, 1991.

FUNDING: The estimated cost of this purchase is \$9,500.  
Funds have been budgeted in the 1991/92 Parks  
Department budget.

Ronald Williamson, Parks & Recreation Director
